Community Grants Closing Soon

Round two of South Gippsland Shire Council's Community Grants program is closing soon.

Community grants provide financial support for community, volunteer and not for profit organisations in South Gippsland.

Council has contributed funding to many projects over the years that have not only helped our not-for-profit organisations but have also benefited our wider community.

If you're wondering, "what could my group use a community grant for?" There are many possibilities. Community grants can be used to deliver projects, festivals and events, to purchase equipment or to undertake planning and development reports.

Recently, the Mirboo North United Football Club received funding that they put towards portable goals, the Meeniyah Progress Association is using their successful grant application to create murals throughout the town and the Poowong Community Consultative Committee are using their funding to celebrate the town's 150th Anniversary with an array of activities

Volunteers and community groups are the backbone of our region and Community Grants are here to provide support.

Applications close midnight Sunday 31 March.

Animal Registrations

Now is the time to renew your pet's registration!

Keep your four-legged friends safe and secure by registering them with South Gippsland Shire Council.

Owning a cat or dog in South Gippsland requires registration to ensure they can be returned to you if they become lost, plus your fees go towards important services within the Shire such as animal control and community education about responsible pet ownership.

Renewal registration must be paid by 10 April each year. New dog and cat registrations can be made anytime throughout the year.
