## South Gippsland Shire Council News

### North Poowong Road Upgrades

In line with Council's initiative of *Connecting our People and Places*, North Poowong Road has been upgraded from gravel to seal.

These works complement the already sealed eastern portion of North Poowong Road. The road is now completely sealed between Mt Lyall Road and Drouin-Korumburra Road.

North Poowong Road was identified as a priority sealing project due to rising traffic volumes, particularly from heavy vehicles.

The road network at the western end of the Shire is experiencing increasing demand coinciding with regional growth.

Sure Constructions (VIC) were awarded the contract and began works in February of this year.

The road works are now complete, and the road is open to the public.

Council would like to thank the Australian Government for funding these works through the *Local Road and Community Infrastructure* program.
