Quotes attributable to South Gippsland Shire Council Mayor, Councillor Nathan Hersey:

"It was a pleasure to celebrate some of our outstanding local community groups and clubs and to hear their exciting plans for the future.

Council is proud to support local projects and events through these grants. In this round, Council invested \$116,719, but these dedicated groups converted that to over \$306,000 in project value!

I strongly encourage community members to consider applying for Round Two and take advantage of the drop-in sessions held by Council.”
