Animal Registration Renewals

It's time to renew your pet's registration.

Making sure your pet is microchipped, registered with Council and wearing a valid registration tag means that they can be returned to you as quickly as possible if they go missing.

Registration fees also contribute to the safety and wellbeing of other animals in the Shire. Your fees go towards supporting our pound and shelter, investigating animal incidents, and the promotion of responsible pet ownership.

Ensuring domestic animals are looked after, registered and kept on their owners' property helps to protect South Gippsland's environment and agricultural assets.

Feral cats have a destructive impact on the region's birdlife. Dogs roaming free can attack or worry livestock, disrupt traffic and suffer injury on our roads and streets.

To register or renew your pet's registration please ensure that they are over three-months old and microchipped. Registrations can be completed online or in-person at our Customer Service Counter in Leongatha, open from Monday to Thursday from 9.00am to 4.00pm.

Renewals are due 10 April and new pet registrations can be placed all year round.
