## South Gippsland Shire Council News

### Safe Local Roads and Streets in South Gippsland

Seven key locations across the region have been selected for road safety upgrades that will make travel safer for pedestrians and motorists.

The Safe Local Roads and Streets Program was developed to support local government authorities to plan and deliver road safety infrastructure projects.

Council has identified these priority projects through community feedback collated over time. They target challenging sites where vulnerable road users are often at risk.

The total cost of these projects is \$2 million, fully funded by the Victorian Government through the Safe Local Roads and Streets Program.

#### PROJECT LOCATIONS

- Loch Area.
- Main Street Foster.
- Macdonald Street, Leongatha.
- Peart/Bruce Street, Leongatha.
- Princes Street, Korumburra.
- Sandy Point.
- Venus Bay.

The upgrades vary in each town and include improved pedestrian crossings, links between existing footpaths, road cushions to encourage drivers to slow down, mini-roundabouts and more.

To explore interactive maps, see what's planned in your area and find more information, visit:

### Animal Registration Renewals

It's time to renew your pet's registration. Making sure your pet is microchipped, registered with Council and wearing a valid registration tag means that they can be returned to you as quickly as possible if they go missing. Registrations can be completed online or in-person at our Customer Service Counter in Leongatha, open from Monday to Thursday from 9.00am to 4.00pm. Renewals are due 10 April and new pet registrations can be placed all year round. For more information and to renew your pet's registration, please visit:  
[www.southgippsland.vic.gov.au/register-your-pet](http://www.southgippsland.vic.gov.au/register-your-pet)

#### COUNCIL MEETINGS

The next Council Meeting will be held on Wednesday 15 April at 2.00pm.
