Candlelight Vigil

Join us for a Candlelight Vigil to honour and remember those who have lost their lives due to domestic and family violence.

May is Domestic and Family Violence Month, an annual event that raises awareness of the ongoing issue of

family violence and its impacts on our community.

If you or someone you know is experiencing family violence, call 1800 RESPECT. For more information and support services, visit: 1800respect.org.au

DETAILS

When: Wednesday 6 May.

Heritage Precinct Project

Council is undertaking a heritage precinct review of four key locations - Loch, Fish Creek, and Toora town centres, and the Radovick Street residential area in Korumburra.

We are proposing a Heritage Overlay to ensure these townships continue to grow and thrive, without losing the unique heritage and character that make them special. No one

knows these places better than the communities who live in them, which is why we want your involvement from the very beginning.

Council is hosting Community Workshop Sessions for landowners in these areas.

For more information, or to RSVP to one of the Sessions, please visit: yoursay.southgippsland.vic.gov.au
