Hard Waste Collection Bookings - Now Open!

Bookings for Council's Hard Waste Collection service are now open until 18 September.

The service provides residents with a convenient way to dispose of hard rubbish at home, particularly if they are unable to attend a transfer station themselves.

A maximum of 2 cubic metres (e.g. 1 metre wide x 1 metre high x 2 metres long) of waste will be collected from properties that have booked a collection. All residential properties are eligible to receive a collection at a fee of \$165 per property - \$59 for pension card holders.

Commercial and industrial properties are not eligible for a hard waste service.

The hard waste collection in South Gippsland is a 'user pays' service, which is a fairer system, meaning that only those using the service pay for it.

The collections themselves take place during October and November.

All waste to be collected, must be placed within the property boundary.

To book your hard waste collection before Friday 18 September, please visit:
