Expressions of Interest sought for local actors

Council is inviting Expressions of Interest from local actors, experienced or aspiring, for an exciting new project at Coal Creek that will support the storytelling of the history housed there.

The Coal Creek Virtual Experience project will bring to life 10 stories of Coal Creek, using dedicated tablets on site to showcase these stories in an accessible and immersive way at specific locations throughout the Park.

Filming of these characters will take place across three filming sessions in September by local

filmmaker Seagrass Films.

Actors are encouraged to review the scripts and submit an Expression of Interest for one or more of the characters.

This project is externally funded by the Victorian Department of Education through the Strategic Partnerships Program.

For more information and to submit an Expression of Interest before Sunday 30 August, please visit:

Expression of Interest: Great Southern Rail Trail Passport Collection Points

The Great Southern Rail Trail Passport Project is a new initiative that encourages visitors to explore more of the Trail and discover local businesses and attractions along the way.

Council is now inviting businesses located on or near the Trail to become an official passport collection point. Collection points will provide passports to visitors, helping them begin their Trail experience while increasing awareness of your business.

Becoming a collection point is a great opportunity to attract more visitors, support regional tourism, and be part of a collaborative project promoting the Great Southern Rail Trail.

If you're interested in participating, please contact Danielle Todaro, Senior Visitor Economy Officer on 5662 9200, submit an EOI using the QR code, or email daniellet@southgippsland.vic.gov.au
