South Gippsland Shire Council News

Council continues to invest and deliver community facilities

Whether it's safer roads, upgraded playgrounds, improved sporting facilities or better community buildings, Council continues to invest and deliver projects across South Gippsland.

Council has delivered more than 40 capital projects during the past financial year, which is 93 per cent of the planned works.

Of the projects completed in 2025/26, some of the highlights include:

- Korumburra Pedestrian Link.
- Fish Creek Streetscape Works.
- Korumburra Multi-sport Facility.
- Refurbishment of the Nerrena Cricket Club Rooms.
- Markleys Road Bridge Repair.
- Port Welshpool Seawall Repair.
- Korumburra Skate Park.

- Dumbalk North Tennis Court Refurbishment.
- Van Cleef Reserve Venus Bay Playground Replacement.

Some projects naturally take longer because of weather, contractor availability, approvals or construction timeframes. Council has recently endorsed the carry forward of funds into the current financial year to ensure work continues on projects without interruption.

Residents will continue to see work progressing on projects across South Gippsland including:

- Nyora Public Toilet Renewal.
- Korumburra Tennis Clubrooms.
- Port Welshpool Accessible Pontoon.
- Bridge Street Korumburra Reconstruction.

GSRT Passport Stockist

South Gippsland Shire Council is looking for businesses along or nearby the Great Southern Rail Trail to be a pick up location for Passports; an exciting new experience allowing trail users to collect all 21 stamps.

Ideally, businesses should meet the following criteria:

- Open at least five days per week including at least one day on the weekend.
- Located within three kilometres of the Rail Trail.
- Willing to display marketing material provided by Council regarding the Rail Trail and Passport.
