Last Chance for Feedback on Heritage Precincts

Feedback is closing soon on Round Two of the Heritage Precincts Project.

As part of the Project, South Gippsland Shire Council is reviewing the heritage significance of the Loch, Fish Creek and Toora town centres, and the Radovick Street residential area in Korumburra.

By introducing a Heritage Overlay, the goal is to ensure that as our townships grow, the unique history and charm that makes these towns special is preserved for future generations.

Each of the four townships are located on the Great Southern Rail Trail. Protecting the urban character of the Rail Trail townships will assist in

protecting this valuable tourism asset and support economic development.

We want to ensure the balance is right between valuing heritage and allowing development to occur, so please share your thoughts.

Submissions close 5.00pm on Friday 16 October 2026.

Help Shape the Future of Local Swimming Pools

We want everyone to have their say on the future of aquatic facilities in South Gippsland. The ongoing costs are significant, and feedback from people across the Shire will help inform decisions about their future.

Feedback closes Sunday 6 December 2026.
