**Re: Tanderra Park Meeniyah – Maintenance**

At our June Progress Association Meeting, the issue of maintaining the following park assets arose:

Rotunda, BBQ and BBQ Shelter, Tables and Seating

Our Association members are aging and are no longer physically able to attend to cleaning, painting and general maintenance of the above. Our limited funds, raised via Tavern Nights and the Annual Garden Walk, are used to produce our monthly Meeniyah Newsletter and assist other Community groups as needs arise. We are not in a position therefore, to fund ongoing costs of painting, cleaning and maintenance needed to keep this vital Shire attraction in an appropriate state.

We acknowledge with thanks that the Shire already maintains the gardens and lawns and respectfully and formally request that the above park assets be added to the Shire Register. We understand that this request will be included in a report to Council for consideration by Councillors.

We await your response.

Sincerely,

Kathryn Smith  
 Secretary/Chairman Meeniyah Progress Association Inc
