Introduction

Council sets the Community Grants allocation each financial year when formulating the annual budget. Funds are allocated through the Community Grants Program need to result in beneficial projects/activities and events for the South Gippsland Shire.

Community Grants funding will be available under the following categories:

- Small Grants Program
- Emergency Grants Program
- Minor Projects and Equipment
- Festivals and Events
- Planning & Development Reports and
- Major Projects and Equipment

Grant options within the South Gippsland Shire Council Community Grants program are accessible only by community, volunteer and not for profit organisations. Commercial and business entities are not eligible to apply for grants under this program.

Objectives

The objectives of the South Gippsland Shire Council Community Grants listed below are outlined in the Council Community Grants Policy:

a. Grants for a range of initiatives that support the achievement of the strategic goals and outcomes of the Council Plan and enhance the quality of life, heritage, recreation and cultural opportunities of the broader South Gippsland community.

b. A program that is flexible and responsive to the needs of the community.

c. A program that minimises the administrative burden on volunteers without undermining good governance and asset management principles.

d. Provide opportunities to volunteer groups and organisations, which would otherwise have limited access to funds to expand or maintain community engagement within the community.

These grants are usually for minor capital works, purchase of equipment or the costs associated with the establishment of a new or improved service. An application cannot be made for any on-going or operating expenses for a program or service. This includes a regular annual program that your club runs, as these will be considered a recurrent cost and therefore ineligible.

**Festivals and Events**
These grants are for the running of ‘not for profit’ Celebrations Festivals or Events and not for fund raising purposes for an organisation/s or a third party charity. All such activities funded will have a focus on community strengthening and/or the enhancement of the quality of life, heritage, recreational and cultural opportunities of the citizens and visitors to South Gippsland Shire, and not be of a predominately commercial nature. Applications to this category need to include the date of the event and provide evidence that an event permit application has been submitted to Council.

**Planning & Development Reports**
Reports are for the development of documented research that details the viability or business case of a proposed community based project or facility. Projects can include business plans/masterplans, or extensive documentation that supports future funding applications.

Promoting Community Events

South Gippsland Shire Council encourages community groups running events to help promote other South Gippsland events, and by doing so increase participation across the Shire, as well as attract more visitors to each event. Many local organisations who receive financial support from Council are supporting their colleagues in this manner already, by displaying promotional materials for other events and providing information for distribution to other groups through Shire wide networks.

Conditions of funding

a. All applicants must provide Council with an ABN or evidence of tax exempt status. Failure to comply with this requirement will require Council to withhold 48.5% of the grant and remit it to the ATO. All grant recipients must provide a Tax Invoice or signed "statement by supplier" to obtain grant funds.

b. Applicants must ensure that if their project requires building approvals or is required to fulfil any other statutory requirements that these obligations are met and evidence is provided to Council’s Grants Officer before commencement of the project. The approval of a Community Grant does not warrant approval for these.

c. Applicants are accountable for the grant by acknowledging and formally agreeing to the Conditions of Funding.

d. Applications granted funds for leveraging to other funding programs will not receive the allocated Community Grant until the additional funding is approved and evidence provided to the Grants Officer. Where Council is required to auspice an application or is on Council owned or managed land, the applicant is to abide by Council’s Community Project Management Policy. Applicant is to notify Council in writing as soon as possible if additional funding is not successful. Allocated funds from the Community Grants program will then be withdrawn.

e. Council requires an acquittal within 12 months of which the funding is approved. Unless prior arrangements have been made, any funds not expended by the end of the 12 month period may be withdrawn and/or reallocated. Failure to supply a final report will result in applicants being ineligible for funding in subsequent years until the report is provided.

g. The Occupational Health and Safety Act (2004) outlines the responsibilities for employers regarding the protection of Health and Safety in the work place. Even though groups may be “not for profit” organisations and using predominately volunteer labour, it is important to note that the Act remains applicable. Therefore, as a condition of accepting this Grant, community organisations must ensure that any works undertaken are done in a manner that, as far as practical, is safe and without risk to health, as well as abide by any reasonable direction made by Council’s authorised officers in this regard.

h. Council may, if it considers a project to be of high risk, request the completion of a Job Safety Analysis Sheet(s) for the project, or elements of the project. Until these are provided to the satisfaction of Council; no grant monies may be paid.

i. Council’s contribution is to be appropriately acknowledged in all publicity, media releases, and signage. This includes affixing the sponsorship plaque provided by Council in location appropriate to the project.

j. The Council may apply any special conditions it believes appropriate in regard to the funding of a particular application.

k. Council may appoint a Steering Committee for selected development studies. Members of the Steering Committee will be appointed by the CEO.

l. Council reserves the right to terminate or seek repayment of any funding if it believes that the applicant has spent it on items not associated with its original application and allocated purpose or has otherwise misappropriated the funds, or any other reason Council deems sufficient cause.

The approval of funding allocations remains with Council. Council may, however, from time to time delegate this responsibility, either indefinitely or temporarily, to the Chief Executive Officer or his/her delegate. Such delegations are subject to any terms and conditions that the Council deems appropriate.
