

SOUTH GIPPSLAND SHIRE COUNCIL

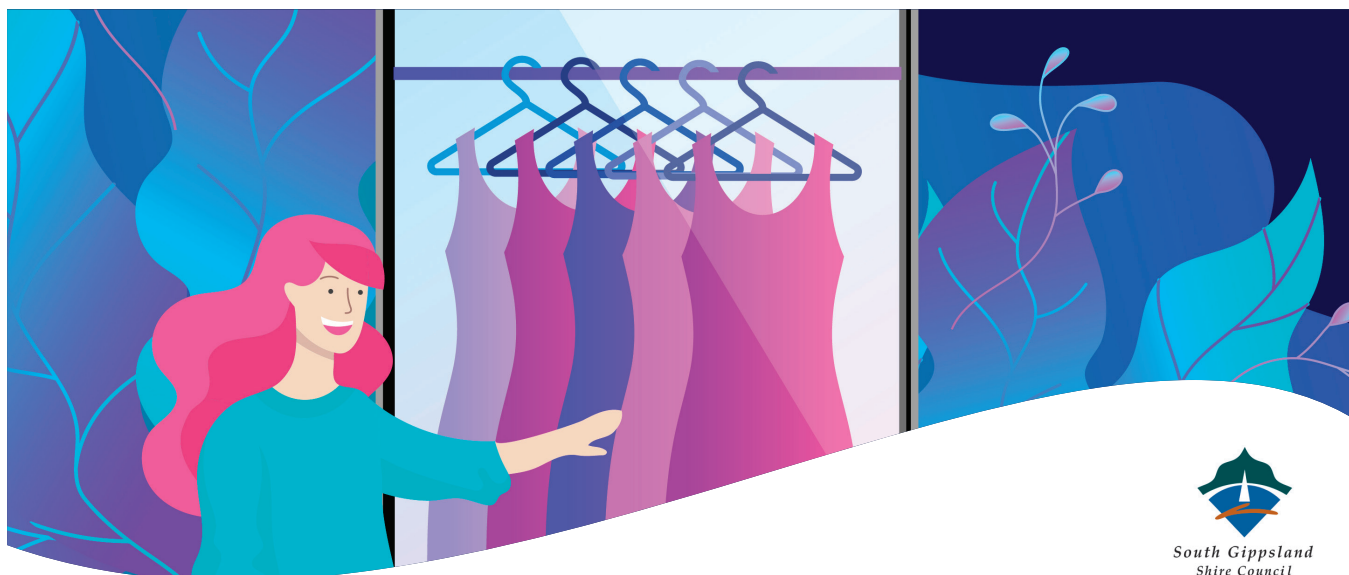

COVID-19 Business Grants Program

Application guidelines and information

*South Gippsland
Shire Council*

Summary

Council is committed to helping our region recover from COVID19 by working alongside communities and by supporting and building the capacity of individuals, communities, businesses and organisations.

To assist with the immediate hardship our businesses are facing, Council has created the COVID19 Business Grants program for businesses with a shopfront in South Gippsland.

Eligible businesses will receive a one-off payment of \$1000 (ex GST) to expend on essential business fees, services and/or materials. *We ask that South Gippsland Be Kind to Business!*

Funding can be used for fees, services and materials such as:

- financial advice/accounting/bookkeeping
- materials to help make your business COVID-safe

It is our expectation that funding for services and materials should be expended in the local community.
