

SOUTH GIPPSLAND SHIRE COUNCIL COUNCIL POLICY

COUNCILLOR GIFTS BENEFITS AND HOSPITALITY POLICY

Policy No.	C01	Adoption Date:	Council Meeting 21 August 2024
Directorate:	Performance and Innovation	Department:	Governance
Revision Date:	August 2028		
GOOD GOVERNANCE FRAMEWORK – OVERARCHING PRINCIPLES			
Supporting Pillar:	Pillar 4. Structure, Systems & Policies Pillar 7. Risk & Compliance		
Link to Pillar:	This Policy aims to ensure the management of gifts and hospitality are managed in accordance with the requirements of the Local Government Act 2020.		

1. PURPOSE

- 1.1. The purpose of the *Councillor Gifts Benefits and Hospitality Policy (C01)* (the Policy) is to provide guidance to Councillors to ensure Councillors are not compromised in the performance of their duties by accepting gifts or benefits (immediate or for the future) which may result in a sense of obligation or could be interpreted as an attempt to influence.
- 1.2. The Policy has been developed in accordance with section 138 of the *Local Government Act 2020* (the Act) that requires Council to adopt a Councillor Gift Policy and ss.128(3)(h) and 128(4) that requires a Councillor to declare a conflict of interest because of receipt of a 'disclosable gift'.
- 1.3. The Policy should be read in conjunction with *the Act* and associated regulations. Particular requirements apply to s.137 of *the Act* relating to 'anonymous gifts' and ss. 306 and 309 relating to election campaign donations.

2. SCOPE

- 2.1. The scope of this Policy applies to all Councillors of the South Gippsland Shire Council (Council).

3. POLICY PRINCIPLES

Background

- 3.1. South Gippsland Shire Council is committed to ensuring that Councillors act with integrity and honesty when performing their duties and while attending functions as Council representatives.
- 3.2. The acceptance of gifts, benefits, hospitality and donations can create perceptions that a Councillor's integrity has been compromised. Councillors are required to declare the acceptance of gifts and donations to avoid putting themselves in a position which is likely to create a general or material conflict of interest whether real or perceived.

- 3.3. The Policy provides a way of meeting the high level of community expectations in respect of transparency and accountability, by the proper recording of significant gifts and donations made to Councillors in a public register.

Transparency and Integrity

- 3.4. The Policy is based on transparency and integrity principles that apply to every person in public office, that they should avoid putting themselves in positions which are likely to create a general or material conflict of interest, whether real or perceived. This means that Councillors do not seek or accept gifts from people where the receipt of the gift is likely to create any perception of a conflict of interest with their public duty.
- 3.5. It is preferable that no gifts be accepted at all by Councillors, although Councillors are not prohibited from accepting gifts. The Policy requires that Councillors should avoid accepting gifts from people they know, or reasonably expect, will have dealings with the Council, and when it is possible that as a Councillor they may be called upon to deal with these people in their official capacity. Examples may include developers, community groups, real estate agents, suppliers and contractors (including potential), or other parties that may need to deal with Council at some stage.
- 3.6. Not accepting gifts from people and organisations that Councillors have dealings with in an official capacity, can avoid the following consequences:
- 3.6.1. The impression that the recipient is using their position for personal gain, rather than to serve the community; which reflects badly on the recipient and on the Council.
- 3.6.2. It is likely to prevent the recipient from undertaking duties that the recipient has been elected, appointed or reimbursed to perform, which may lead to a failing of responsibilities.
- 3.6.3. Accepting a gift may constitute, or appear to constitute, a misuse of position or acceptance of a secret commission, which are serious offences under the *Local Government Act 2020* and the *Crimes Act 1958* respectively.
- 3.7. The key principles are:
- 3.7.1. **Obligations:** Councillors act in accordance with their respective obligations with good governance.
- 3.7.2. **Public Interest:** Councillors have a duty to act in the public interest above their private interests when carrying out their official functions, in compliance with this Policy.
- 3.7.3. **Culture of Integrity:** Council fosters a culture of integrity with Councillors declaring all gifts.
- 3.7.4. **Risk-based:** Council's risk in relation to gift offers are assessed, managed and monitored.
- 3.7.5. **Accountability:** Council's procedures are transparent and accountable. Councillors are accountable for declaring accepted gifts, declined gifts or where an exception applies under this Policy.

Gift Acceptance and Refusal

- 3.8. In accordance with the key principles of this Policy before deciding whether to accept an offer, Councillors should first consider if the offer could be perceived as influencing them in performing their duties or lead to reputational damage. The more valuable the offer, the more likely that a conflict of interest or reputational risk exists.
- 3.9. A Councillor is required to check the *Local Government Act 2020*, s.128(3)(h) and s.128(4) to determine if they are required to declare a material conflict of interest because of receipt of an 'disclosable gift' in any matter where a conflict may be relevant.
- 3.10. The Council Gift Register is to be used to record all gifts, whether accepted, declined, or given to the Chief Executive Officer (CEO) for Council's use, on the *Gift and Donation Declaration Form*.
- 3.11. To support the intent and expectations of the policy Councillors are required to declare gifts offered or received by family members as defined under the Act, which may give rise actual, perceived or potential conflict of interest or reputational risk to Council.
- 3.12. Developed by the Victorian Public Sector Commission, the **GIFT** test is a good example of what to think about when deciding whether to accept or decline a gift, benefit or hospitality.

G	Giver	Who is providing the gift, benefit or hospitality and what is their relationship to me? Does my role require me to select contractors, award grants, regulate industries or determine government policies? Could the person or organisation benefit from a decision I make?
I	Influence	Are they seeking to gain an advantage or influence my decisions or actions? Has the gift, benefit or hospitality been offered to me publicly or privately? Is it a courtesy or token of appreciation or valuable non-token offer? Does its timing coincide with a decision I am about to make?
F	Favour	Are they seeking a favour in return for the gift, benefit or hospitality? Has the gift, benefit or hospitality been offered honestly? Has the person or organisation made several offers over the last 12 months? Would accepting it create an obligation to return a favour?
T	Trust	Would accepting the gift, benefit or hospitality diminish public trust? How would the public view acceptance of this gift, benefit or hospitality? What would my colleagues, family, friends or associates think?

Acceptable Gifts – Non-token Gifts valued at \$50 or more, including aggregates

- 3.13. Councillors are allowed to accept some gifts; however, they should avoid compromising their ability to act independently by accepting gifts individually, or accumulatively within a financial year that have a monetary value of \$50 or more.
- 3.14. Fifty dollars is the Victorian public sector industry-based standard for non-token offers of benefits, gifts or hospitality that may be perceived to be by the recipient, the person making the offer or by the wider community, of more than consequential value.
- 3.15. All offers worth \$50 or more are non-token offers. Regardless whether they are accepted or declined, they must be declared and submitted to the Executive Office to include in Council's Gifts Register. This is to ensure that the combined aggregated total of offers made from a single source in the last five years does not exceed the gift disclosure threshold of \$500.
- 3.16. While permissible to be retained, Councillors acting in good faith are encouraged to refuse, or dispose to the CEO gift offers that have an aggregate value of \$50 or more that:
 - 3.16.1. Are likely to influence them, or would be perceived to influence them, in the course of their duties; or
 - 3.16.2. Have no legitimate business benefit.
- 3.17. While Councillors are able to accept gifts of \$50 or more, they are encouraged to hand over the gift to the CEO to utilise for Council related purposes.

Acceptable Gifts – Gestures and Token Gift Offers

- 3.18. Councillors are allowed to accept gestures that are token gift offers, benefits and hospitality, without approval or declaring the offer on the South Gippsland Shire Council's Gift Register if the value, or aggregate value is under \$50. An example of a gesture is an object with no monetary value such as flowers cut from the person's garden or homemade baked goods.
- 3.19. A gesture may also be a souvenir received from a person or company as a result of attending a seminar or conference held, conducted or sponsored by them, for which an appropriate fee was paid to attend. An example of this is a tie, pen or mug.
- 3.20. Door prizes and raffle prizes at functions or conferences are not considered a gift if the individual has personally paid for their attendance, or where the individual has paid for the raffle ticket.
- 3.21. If a Councillor is repetitively offered gestures that accumulatively equate to \$50 or more in a 12-month period, these are to be recorded in Council's Gift Register once a \$50 value is reached.

Disclosable Gifts – restrictions apply

- 3.22. Council discourages the acceptance of 'disclosable gifts'.
- 3.23. A 'disclosable gift' for the purposes of declaring a material conflict of interest and determining if such a gift may be accepted is defined in s.128(4) as follows:

*"For the purposes of subsection (3)(h), **disclosable gift** means one or more gifts with a total value of, or more than, \$500 or if an amount is prescribed for the purposes of this subsection, the prescribed amount,*

received from a person in the 5 years preceding the decision on the matter—

- (a) if the relevant person held the office of Councillor, was a member of Council staff or was a member of a delegated committee at the time the gift was received; or*
- (b) if the gift was, or gifts were, or will be, required to be disclosed as an election campaign donation—*

but does not include the value of any reasonable hospitality received by the relevant person at an event or function that the relevant person attended in an official capacity as a Councillor, member of Council staff or member of a delegated committee."

- 3.24. The acceptance of any gifts over the aggregated value of \$500 or more (accumulative in the past 5 years or as a single gift) should be declined to avoid placing a Councillor in the position of having a potential Conflict of Interest in any matter involving the affected person (gift giver) in the future.

Prohibited Gifts – Anonymous Gifts

- 3.25. Any gift that is inconsistent with community values and could bring a Councillor's integrity, or that of the Council into disrepute must be declined.

- 3.26. An 'anonymous gift' is prohibited and must not to be accepted by a Councillor as per s.137 of the Act:

"Section 137 Local Government Act 2020 - anonymous gift not to be accepted

1. Subject to subsection (2), a Councillor must not accept, directly or indirectly, a gift for the benefit of the Councillor the amount or value of which is equal to or exceeds the gift disclosure threshold unless—

- (a) the name and address of the person making the gift are known to the Councillor; or*
- (b) at the time when the gift is made—*
 - (i) the Councillor is given the name and address of the person making the gift; and*
 - (ii) the Councillor reasonably believes that the name and address so given are the true name and address of the person making the gift.*

Penalty: 60 penalty units.

- 3.27. If the name and address of the person making the gift are not known to the Councillor for whose benefit the gift is intended, the Councillor is not in breach of subsection (1) if the Councillor disposes of the gift to the Council within 30 days of the gift being received.
- 3.28. In addition to the penalty specified in subsection (1), a Councillor who is found guilty of a breach of that subsection must pay to the Council the amount or value of the gift accepted in contravention of that subsection.
- 3.29. If for any reason a Councillor finds themselves in possession of a gift when they don't know the name and address of the person who gave the gift, the Councillor can give the gift to the Council within 30 days to avoid committing an offence.

Gifts that create a Conflict of Interest

- 3.30. Councillors must not accept a gift that creates a conflict of interest (real, potential or perceived).
- 3.31. Note that a person from whom a Councillor has received a 'disclosable gift' is determined to be an 'affected person' under s.128(h) for the purposes of declaring a material conflict of interest.
- 3.32. A conflict of interest, created through receipt of a gift, denies all other community members of the right to be represented by their Councillor on particular matters coming before Council.
- 3.33. A conflict formed this way may also result in a Councillor unduly influencing other Councillors on how to vote for a certain issue. This is a misuse of position
- 3.34. These actions undermine the integrity of individual Councillors and the trust of the community in Council.

Money or equivalent

- 3.35. Councillors must not accept money in any form. This includes gift cards (e.g. gift vouchers), or those easily converted into money (e.g. shares).

Regulatory Processes

- 3.36. A Councillor must not accept any gifts from any individual or group that may be involved with the permit application or regulatory activity where a Council regulatory process, or legal matter is underway, or coming up (e.g. a planning permit application; infringement appeal or claim against Council).

Bequests/ Wills

- 3.37. Any bequests to Councillors resulting from their position with Council must not be accepted. Arrangements may be made to donate the bequest to a charitable institution in the name of the donor or returned to the immediate family.

Reward Programs

- 3.38. Councillors must not purposely collect rewards for personal use via reward points program for any Council related transactions (i.e. fly buys, frequent flyers, Everyday Rewards - Woolworths). This relates to any claims for reimbursement of expenses incurred in accordance with the *Councillor Support and Expenditure Policy (C51)*.

Procurement and Tender Process

- 3.39. Councillors must not accept any gifts from a current or prospective supplier/contractor or any offer that is made during a procurement or tender process by a person or organisation involved in the process.
- 3.40. Where gifts are received, offered or there are irregular approaches from suppliers, the Councillor must notify the Mayor and CEO and lodge a *Gift and Donation Declaration Form*, so their refusal/action can be properly recorded.
- 3.41. Councillors must not visit a current supplier's premises on Council business without invitation. If a visit is required, the Councillor is to request a Senior Officer attend with them. It is understood that councillors may visit current supplier's premises to purchase items in a personal capacity due to the geography of South Gippsland.

Hospitality

3.42. Gift offers of hospitality that exceed common courtesy must be refused as they are often inconsistent with community expectations and have a high risk of creating a conflict of interest. Examples of gift offers of hospitality that exceed common courtesy include:

- 3.42.1. Attending as a guest in a corporate box at the football or races.
- 3.42.2. Attending a concert or theatre event
- 3.42.3. Attending an industry golf day at a reduced fee
- 3.42.4. Being 'shouted' a meal at a restaurant or sporting club
- 3.42.5. Accepting discounted or complimentary tickets for a family member to attend the tennis.

Conferences

3.43. Gift offers in relation to conferences (sponsored attendance, participation, travel or accommodation) must be declined, unless there is:

- 3.43.1. Clear justification, such as where the invitation is issued by a government department or the offeror is a peak body; and
- 3.43.2. Prior written approval granted by the CEO (Mayor for Councillors, CEO for Mayor) or another responsible person. The signed and dated approval must be attached to the gift offer declaration and noted in Council's *Gifts Register*.

Future Benefit

- 3.44. Councillors are prohibited from accepting any offering in any form, to any value, that may be perceived to be a suggestion or guarantee of a future benefit to the Councillor or any other person.
- 3.45. This includes any benefits that may be derived either during or after a Councillor finishes their term of office. Some examples include the assurance of future employment, services provided at a nil or substantially reduced value, beneficial property dealings, bank transfers or contract opportunities
- 3.46. These will be treated as a fraudulent action and will be dealt with in accordance with Council's *Fraud and Corrupt Conduct Policy (C19)*, or as a criminal matter to be dealt with by the Police depending on the circumstances
- 3.47. Any offers of this kind must be publicly declared and disclosed to the CEO, who will consider the offer in line with Council's *Fraud and Corrupt Conduct Policy (C19)*.

Attempts to Bribe

- 3.48. A Councillor who receives a gift offer that they believe is an attempted bribe must refuse the offer. They must:
 - 3.48.1. Immediately notify the CEO and lodge a *Gift and Donation Declaration Form*, so their refusal can be recorded.

- 3.48.2. Report the matter to the CEO or Public Interest Disclosure Officer who should report any criminal or corrupt conduct to the Victoria Police or the Independent Broad-based Anti-corruption Commission (IBAC).

Endorsement of a product or service

- 3.49. A Councillor must not accept a gift, service, benefit or hospitality that could be perceived to be an endorsement of a product or service and will bring the individual or Council into disrepute.

Consequences of accepting prohibited gifts

- 3.50. Accepting a prohibited gift may constitute misuse of a Councillor's position. A breach of this Policy may result in serious misconduct allegations for Councillors. In addition, if the gift was offered with the expectation of something in return either immediately or in the future, such as preferential treatment, accepting it may constitute a bribe or other form of corruption and lead to criminal prosecution.

Recording and Reporting Prohibited Gift Offers

- 3.51. To assist the Council in monitoring the frequency and nature of prohibited gifts, it is essential that all such offers are disclosed and notified as declined in Council's *Gifts Register*. Councillors must lodge a *Gift and Donation Declaration Form* and details of the gift to be included in Council's *Gift Register*.
- 3.52. A Councillor who believes another person within the Council may have solicited or been offered a bribe which they have not reported, must notify the CEO or report the matter as a public interest disclosure in accordance with Council's *Public Interest Disclosure Policy (CE21)*

No Soliciting of Gifts or Secret Deals

- 3.53. Councillors must not solicit gifts, benefits, hospitality or secret deals for themselves or anyone else, in any form. To do so may constitute misuse of their position. It may also constitute corruption and lead to criminal prosecution.

Donations and Bequests of Gifts to Council

- 3.54. Council may be offered or bequested gifts or donations. Such gifts may include and are not limited to:
- 3.54.1. Real property
 - 3.54.2. Donations
 - 3.54.3. Art work
 - 3.54.4. Free Training and Services
- 3.55. Council does not encourage and will not automatically accept a gift or donation. Given the potential for a vast range in terms of quality, relevance and the ongoing responsibility and maintenance requirements, Council reserves the right to decline the offer.
- 3.56. In relation to Bequests, consideration will be given to:
- 3.56.1. The expressed wishes and intentions of the bequestor, as outlined in the will, are paramount in determining the purpose for which the gift will be used.

- 3.56.2. Where Council is unable to honor the intentions of the will, all appropriate legal measures will be taken to determine a purpose for the gift that most closely aligns to the bequestor's intentions.

Gift Disclosure

- 3.57. A Councillor must disclose any 'disclosable gift' valued at \$500 or more (accumulative in the past 5 years or as a single gift) in their next bi-annual *Personal Interest Return* form. They must also include the disclosable gift(s) in Council's Gift Register within 14 days of receiving the gift(s).

Conflict of Interest Disclosure

- 3.58. Councillor who has a conflict of interest as a result of receiving a gift or gifts from a person must disclose the conflict of interest in accordance with the procedures outlined in the *Governance Rules (C82)*.

Election Campaign Donation Disclosure

- 3.59. Gifts above the gift disclosure threshold that are election campaign donations must be disclosed in an *Election Campaign Donation form* and in accordance with the ss. 128(4), 306, 309, 310, of the Act and the *Local Government (Electoral) Regulations 2020*.

Recording Gift Declaration in Council's Gift Register

- 3.60. Gifts valued at \$50 or more, including aggregated gifts must be disclosed in Council's Gift Register by completing a *Gift and Donation Declaration Form*:
- 3.60.1. Where a gift is shared amongst multiple Councillors, the gift must be declared if the total value of the gift exceeds \$50. All people sharing in the receipt of the gift must be listed on Council's Gift and Donation Declaration Form, with the initial receiver of the gift responsible for registering receipt of the gift at the top of the list.
 - 3.60.2. Councillors are to provide details pertaining to the receipt, or offer, of any gift to the CEO within 14 days from the date of receipt/ offer.
 - 3.60.3. The information on Council's *Gift and Donation Declaration Form* will include if the gift has been refused, retained by the individual or given to the CEO for use by Council.
 - 3.60.4. Gifts accepted (or declined) of \$50 or more will be included in Council's Gifts Register by the CEO and will contain:
 - i. A description of the gift (or donation) and its estimated value.
 - ii. Date of receipt or decline of gift.
 - iii. The name of the gift giver (if known)
 - iv. Name of the receipt of gift
 - v. What was done with the gift (was it retained by the Councillor, handed to the Council, or declined).
 - vi. Gift offers provided by suppliers (irregular approaches from suppliers).

Undervaluing Gifts

3.61. Undervaluing gifts received to avoid declaring them, may constitute a breach of the *Councillor Code of Conduct (C14)*. Such matters will be managed in accordance with the procedures set out in the respective *Code* and relevant sections of the Act.

Inability to politely refuse a gift

3.62. On occasions a Councillor may be given a gift that cannot be politely refused. This typically occurs after a presentation at a function when a gift is given as an appreciation. If there is any risk that the gift may give rise to a material conflict of interest or otherwise compromise the recipient, it should be accepted on behalf of the Council and passed on to the CEO for use by the Council to avoid any personal conflict of interest. This type of gift must be declared on Council's *Gifts Register*.

4. RISK ASSESSMENT

This Policy mitigates Council's risks as described below:
