Re: Naming of Allan Summerfield Oval

To whom it May Concern

The Korumburra Cricket Club acknowledges the feedback on seeking to rename the Korumburra Recreation Reserve in honour of Allan Summerfield in recognition of the work and commitment to the Reserve and its facility and we strongly endorse the proposal to name the oval the “Allan Summerfield Oval”.

The oval was where Allan plied his craft as a cricketer to dominate the local cricketing competition through to driving development of the turf wicket which the club values greatly and made the reserve a premier cricketing venue in the district.

Naming the oval in Allan honour is just recognition to the outstanding contribution Allan made to our club, the Korumburra Recreation Reserve and Korumburra Community.

A handwritten signature in dark ink, appearing to read 'Glen Barrett', is written over a faint, light-colored watermark of a cricket bat.
