1.7. DECLARATION OF CONFLICT OF INTEREST FOR ADMINISTRATORS

Any interest that an Administrator or staff member has deemed to be significant and has disclosed as either a direct or an indirect interest is now considered to be a conflict of interest. Conflict of interest legislation is in sections 77A, 77B, 78, 78A-D and 79 of the Local Government Act 1989 (the Act). This legislation can be obtained by contacting the Council's Corporate & Community Services Directorate (Council Business) or by accessing the Victorian Legislation and Parliamentary Documents website at www.legislation.vic.gov.au.

An interest may be by close association, financial, conflicting duties or receipt of gifts. If an Administrator or staff member discloses any interest in an item discussed at any Council Meeting (whether they attend or not) they must:

- Complete a disclosure of interest form prior to the Meeting (forms are available from Council Business Department at South Gippsland Shire Council).
- Advise the Chair of the interest immediately before the particular item is considered (if attending the Meeting).
- Leave the Council Chamber or Meeting room while the item is being discussed and during any vote taken (if attending the Meeting).

The Administrator or staff member will be advised to return to the Council Chamber or Meeting room immediately after the item has been considered and the vote is complete.

Administrators should check the Minutes of the Council Meeting to ensure their disclosure is recorded accurately. Administrators are not required to disclose conflict of interest in relation to matters only considered at Meetings they do not attend. Detailed information is available in *Conflict of Interest – A Guide – October 2012*.

Sections 80B and 80C of the *Local Government Act 1989* require members of Council staff who have delegated functions and/or provide advice to Council or a Special Committee to disclose conflicts of interest. If Council staff have written, provided information/advice or approved a Council Report and have a conflict of interest, it is the responsibility of that staff member to disclose the interest.

Guidance to identifying and disclosing a conflict of interest is contained in the Victorian State Government, Department of Transport, Planning and Local Infrastructure – *Conflict of Interest – A Guide for Council Staff – October 2011*.

REPORT

Background

The Budget and Council Plan have been prepared following community consultation throughout the year and is guided by priorities outlined in its key strategic documents including the 15 Year Long Term Financial Strategies.

Council received 23 written submissions from 16 submitters. Four submitters sent multiple submissions. These have been combined to each form one submission report. Eight submitters requested to speak at this Open Hearing. The 11 submissions that will be heard from 10.30am on 17 June 2020 are in **Attachment [2.1.1]** through to **Attachment [2.1.11]**.

This Hearing is held subject to the requirements of the Business Continuity Plan relating to the COVID-19 pandemic. Alternative arrangements were made with speakers to present via telephone during this live session.

The Special Committee of Council will consider and recommend the outcome of all the submissions received at the meeting scheduled at 12.45pm on Wednesday 17 June 2020.

CONSULTATION

Community consultation was conducted throughout the year to inform the development of the Budget and Council Plan.

Both documents were placed on public exhibition from 28 April 2020 until 5pm, 28 May 2020. In response to the State of Emergency in Victoria which commenced on 16 March 2020 and extended to 21 June 2020 due to the COVID19 pandemic, Council adapted its advertising of the public exhibition. This included:

- Council's website and Facebook page;
- Council's In the Know newsletter;
- Foster Mirror newspaper; and
- Sentinel Times Facebook page and online newspaper

RESOURCES

RISKS

Hearing from submitters that have indicated a desire to speak to their submission, is a legal requirement associated with the s.223 public engagement process. Considering and determining the outcome of submissions is a further legislated requirement under s.223 of the Act.

A Special Committee Meeting of Council has been scheduled at 12.45pm on 17 June 2020 to complete the formal consultation and consideration process. Adherence to these formal requirements has mitigated Council's risk of potentially making uninformed decisions, denying people natural justice to participate in decisions likely to affect them or breaching the *Local Government Act 2020*. The recommendations of the Special Committee will be considered by Council at the 24 June 2020 Council Meeting.

REPORT

The Budget and Council Plan have been prepared following community consultation throughout the year and are guided by priorities outlined in key strategic documents including the 15 Year Long Term Financial Strategies.

Council received 23 written submissions from 16 submitters. Across these submissions, 21 related to the Budget and six related to the Council Plan. Four submitters sent multiple submissions. These will be considered as a single submission from each submitter.

Eight people indicated that they wanted to speak to their submissions. The Hearing was held subject to the requirements of the Business Continuity Plan relating to the COVID-19 pandemic. Alternative arrangements were made with speakers to present via teleconferencing during the live session.

Submissions received between 28 April 2020 and 5pm, 28 May 2020 are included in **Attachment [2.2.1]** through to **Attachment [2.2.23]**. All submissions were circulated to the Administrators on 1 June 2020 for their early consideration.

A response from Council will be provided for each submission following the Council Meeting on 24 June 2020.

CONSULTATION

Community consultation was conducted throughout the year to inform the development of the Budget and Council Plan.

Both documents were placed on public exhibition from 28 April 2020 until 5pm, 28 May 2020. In response to the State of Emergency in Victoria which commenced on 16 March 2020 and extended to 21 June 2020 due to the COVID-19 pandemic, Council adapted its advertising of the public exhibition. This included:

- Council's website and Facebook page;
- Council's In the Know newsletter;
- Foster Mirror newspaper; and
- Sentinel Times Facebook page and online newspaper.

RESOURCES

The current Proposed Budget is sustainable and meet the requirements determined by the *Local Government Act 1989* and the transitional requirements of the *Local Government Act 2020* now in place.

Council will be required to consider the financial implications of any changes recommended by the Special Committee in the consideration of the Budget at the 24 June 2020 Council Meeting.

RISKS

If Council determines that only insignificant changes be made to the Budget and/or Council Plan, the final versions can proceed with minor amendments to the adoption stage scheduled for the 24 June 2020 Ordinary Meeting of Council. This approach minimises Council's risk of breaching legislation.

If Council determines that significant changes are to be made to the Budget and/or Council Plan that make material changes and affect Council's financial operations and position, Council would be required to prepare a new Proposed Budget and/or Proposed Council Plan and undertake a further s.223 public consultation process.

The Minister for Local Government extended the deadline to deliver 2020/21 Council Budgets to 31 August 2020. Council indicated a preference to remain on schedule for adoption by 30 June 2020 to avoid potential disruptions to continuing services and projects.
