Dear Mr Landers

**ROAD CLOSURE – TILLY COURT, LEONGATHA**

I refer to your letter dated 2 April 2017 regarding the closure of a section of Tilly Court in Leongatha and I apologise for the delay in responding.

It is noted that Council is considering to permanently prohibit (close) vehicular access on a section of Tilly Court, Leongatha. The closure of the east/west leg of Tilly Court will remove the through traffic function of Tilly Court from the new subdivision to McDonald Street except for pedestrian and cycling access.

VicRoads provides 'in-principle' support to Council's proposed closure of this section of Tilly Court subject to the following conditions:

- i. Council to confirm that it has consulted with the adjacent landowners and the wider community of the impending closure to seek acceptance;
- ii. The section of closed road shall not cause consequential adverse impacts (eg., road safety or congestion, etc) on the arterial road (Nerrena Road);
- iii. VicRoads is to be kept inform of any further developments with this sub-division, in particular any impacts on our arterial road network

This letter is VicRoads' response/report for the purposes of Clause 9 or 10, Schedule 11 to the Local Government Act.

Should you require any further information, Franco Francolino (Tel: 5172 2641), would be pleased to assist.

Yours sincerely
